

Little League® International

Suppliers of Approved Equipment for Little Leagues

We wish to remind you that licensed and authorized LITTLE LEAGUE® products are sold only by the following approved manufacturers, each of which has been selected in part because of its reputation for quality. We encourage you to purchase on the following licensed items when selecting your equipment and supplies needs for the new year.

We request that you report to us any other manufacturer that is selling or attempting to sell any product(s) (not listed below) in connection with any of our trademarks, including the initials "LL" and "LLB," or which are purported to be "authorized" or "official" LITTLE LEAGUE® products. Any such manufacturer may be liable for trademark infringement, and we will obtain legal advice concerning each situation. Thank you for your cooperation and assistance.

PLEASE NOTE: All licensed goods in this listing are approved as of the published date of November 10, 2010 (subject to change). For an updated listing of licensed goods, please visit:
